You may use this form to file a claim for refund of tax paid on undyed diesel fuel sold without the tax reimbursement to ultimate purchasers. Your claim must cover a period of not less than one week and total at least \$200. The period covered by your claim can include more than one week's sales if necessary to reach the \$200 minimum. You must submit completed Schedules 13D and 13E with your claim.

You are required to file a periodic report (Form BOE-770-DV) with the State Board of Equalization, listing your diesel fuel receipts and disbursements of dyed diesel fuel. If you prefer, you may claim a refund on that report instead of filing this weekly claim form. You must file the periodic report whether or not you file separate weekly claims.

NOTE: Even if you qualify to file weekly claim forms, any exempt sales to ultimate purchasers for the last week of the period must be claimed on the periodic report (Form BOE-770-DV).

Refer to instructions and schedules with your monthly BOE-770-DV (Diesel Fuel Ultimate Vendor Report/Claim For Refund), for completing this claim for refund on undyed diesel fuel sold for use on a farm for farming purposes or in an exempt bus operation or for additional information, visit our website at the following address:
